Mission:

Our mission is to educate our youth so that they may lead the direction for their own future and that of the Niihau community. It is our mission to raise the level of literacy, education, and awareness of this native community by educating its youth and preparing them to function independently in a western dominated society. It is our mission to raise the level of student involvement in community related activities and issues, including economics and governmental affairs so they may be prepared to deliver appropriate and influential representation of this indigenous population in matters that affect their lives and the lives of generations to come.
