

Ka'u Learning Academy

Mission: Ka'u Learning Academy will be a school that holds high social and academic expectations for the children of Ka'u despite the socioeconomic challenges that exist in our community, because we believe that all students can and will learn given the right educational environment. Ka'u Learning Academy recognizes that each child is an individual with unique educational needs. KLA will strive to develop and implement individual education plans that stimulate each child at his/her zone of proximal development, so that every child is engaged in learning in a safe, supportive and nurturing environment.
